## December 26, 2018 - Leviticus Class #1

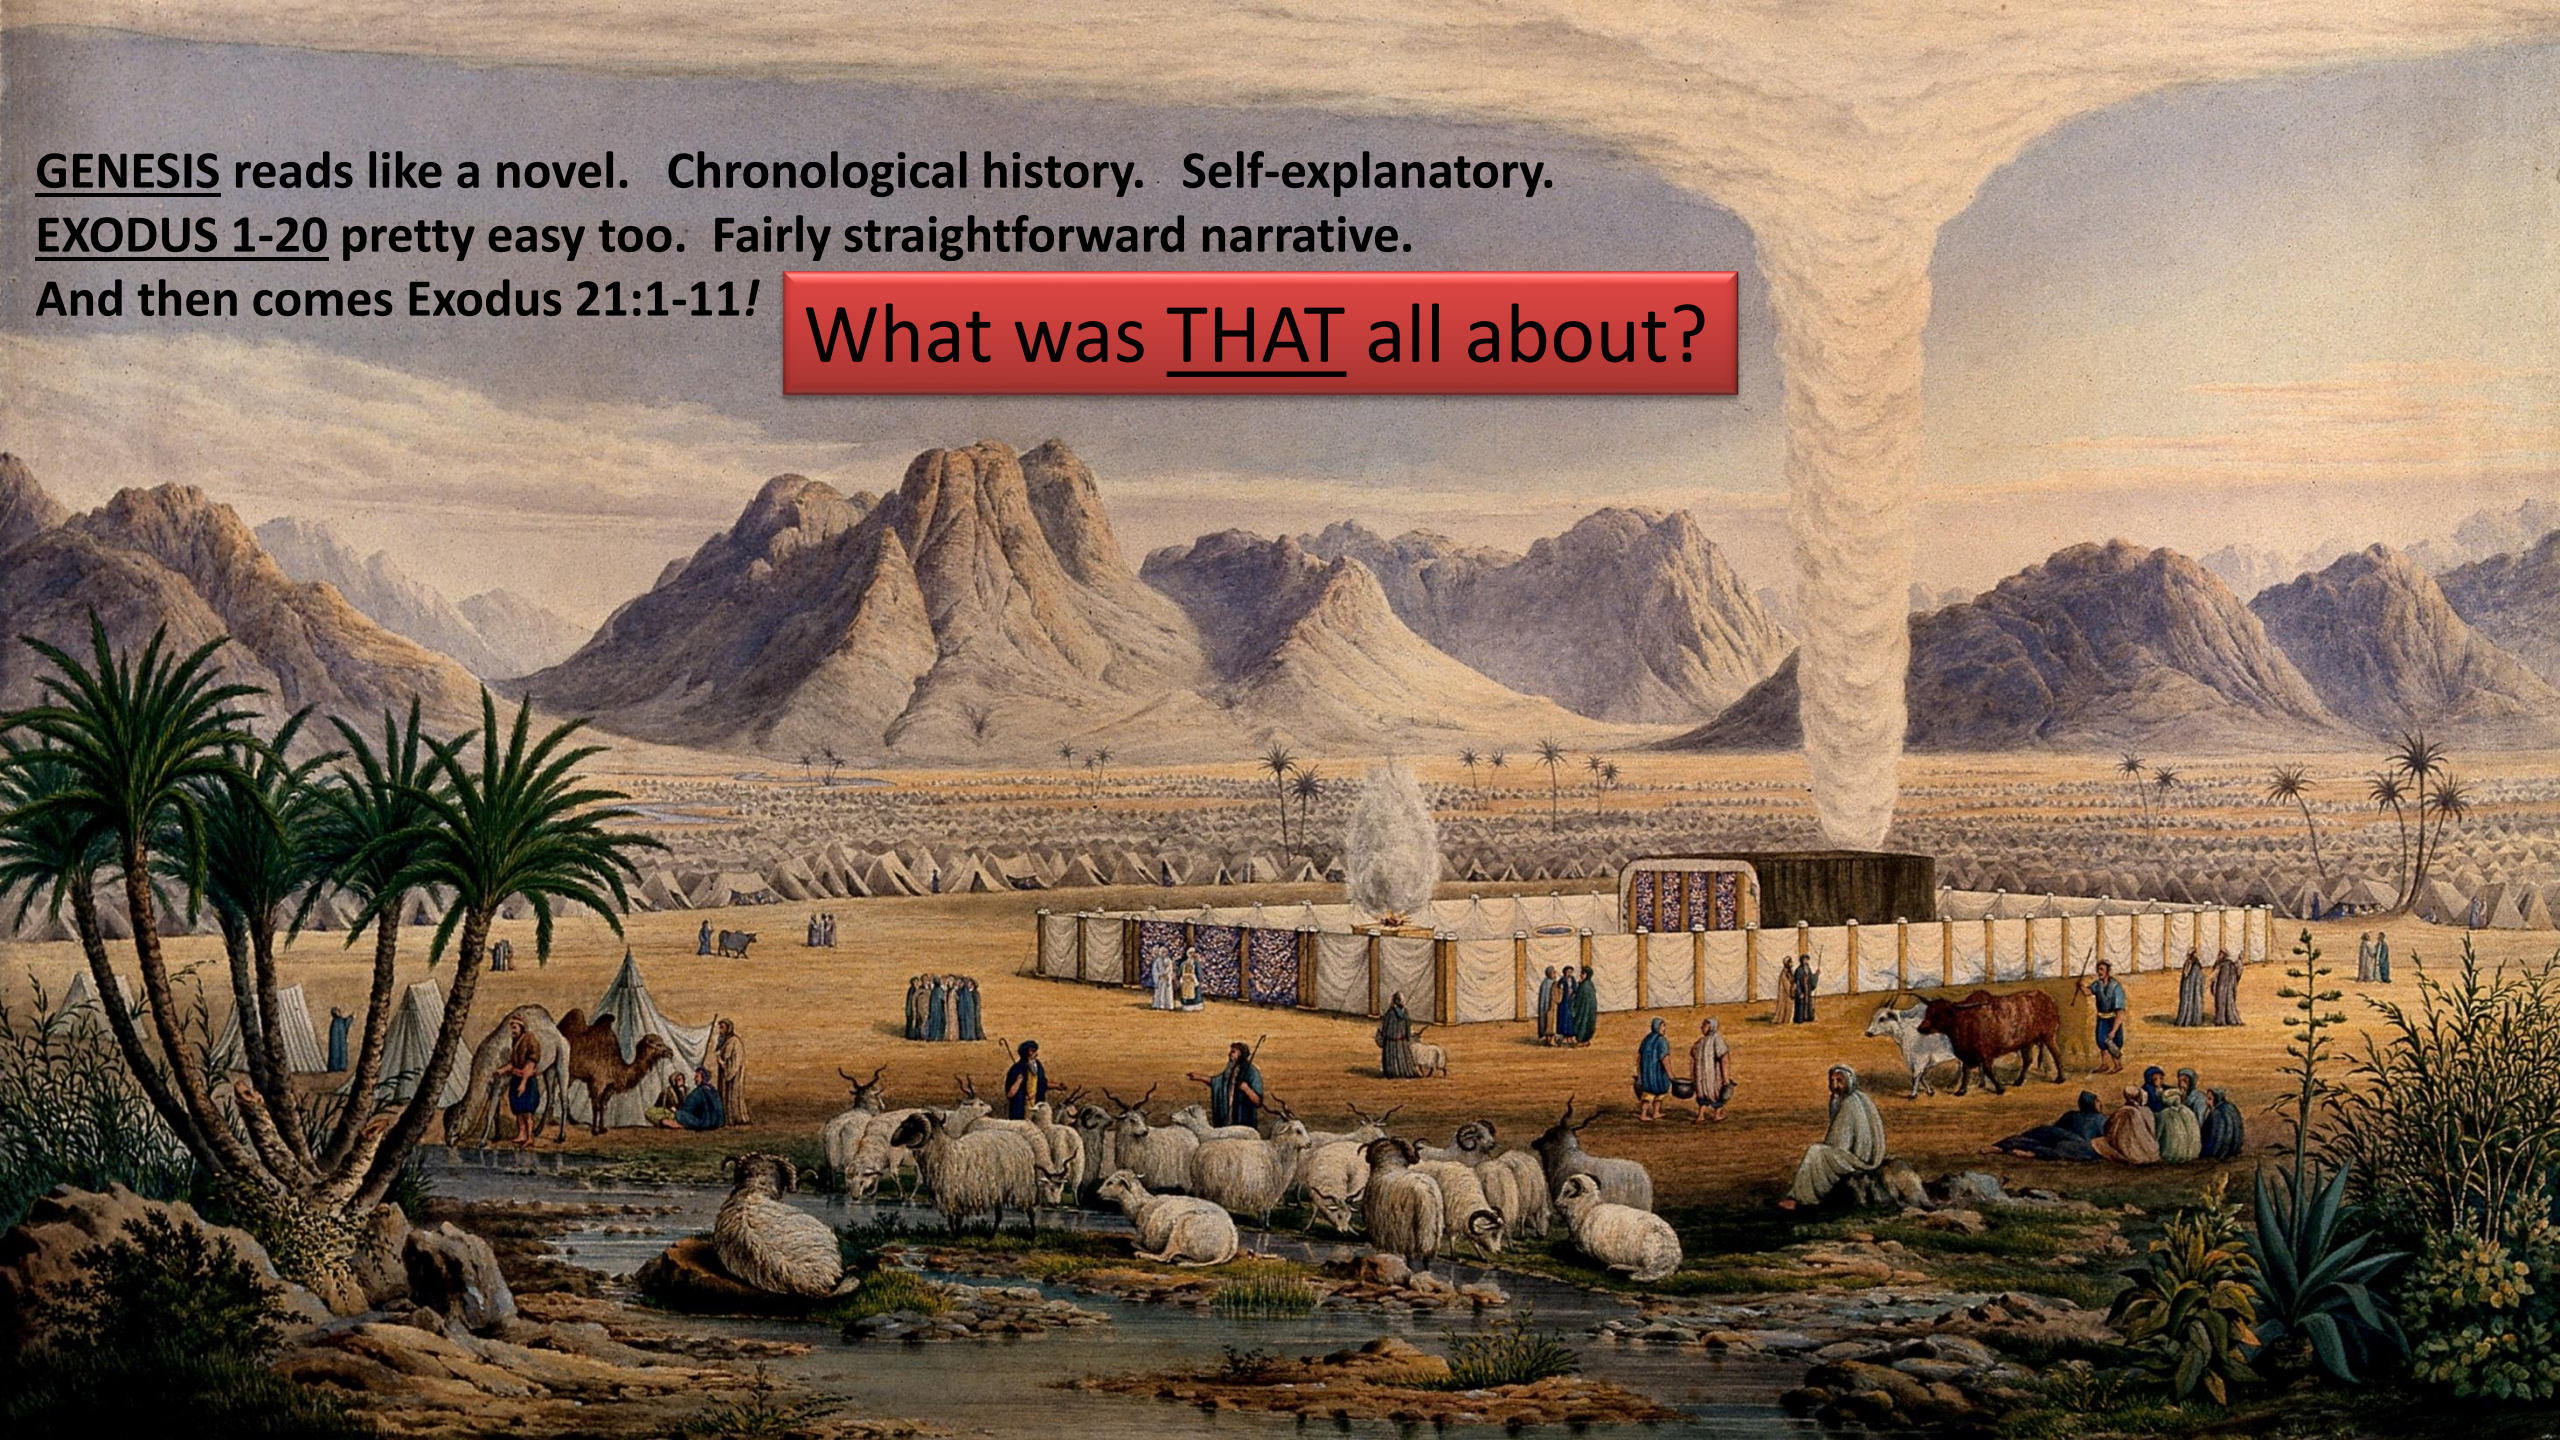

GENESIS reads like a novel. Chronological history. Self-explanatory.

EXODUS 1-20 pretty easy too. Fairly straightforward narrative.

And then comes Exodus 21:1-11!

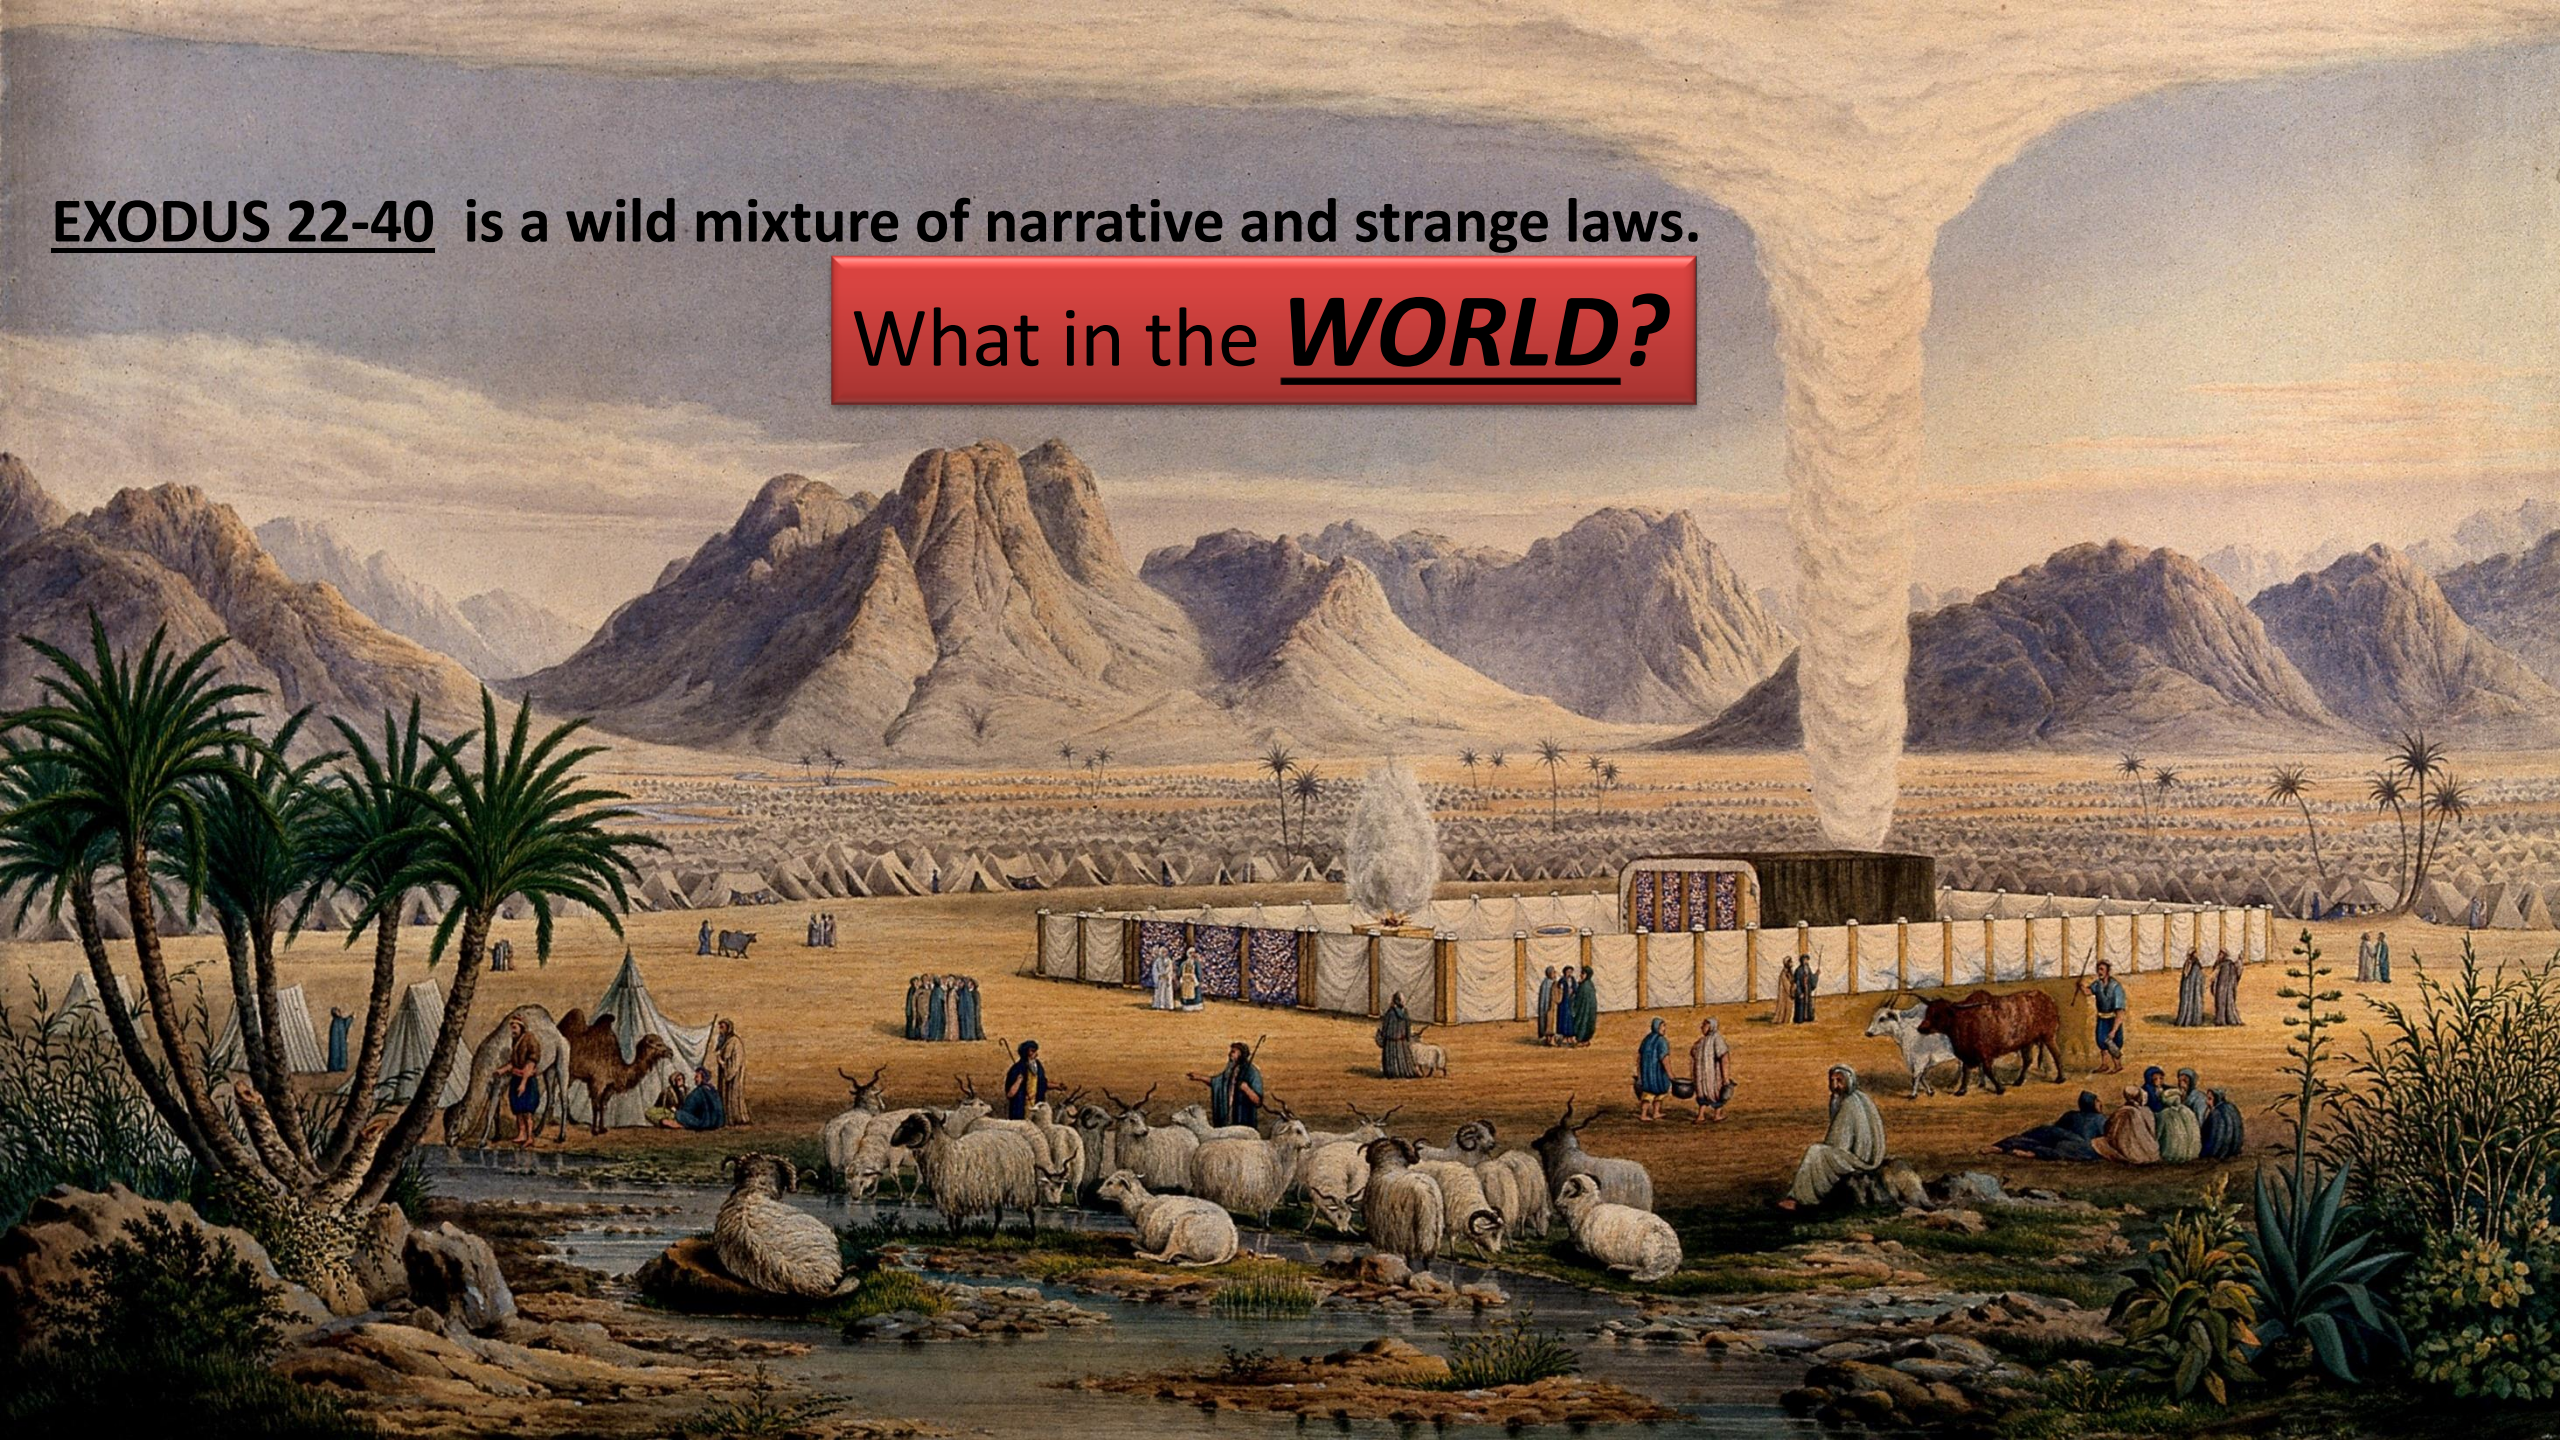

What was THAT all about?

EXODUS 22-40 is a wild mixture of narrative and strange laws.

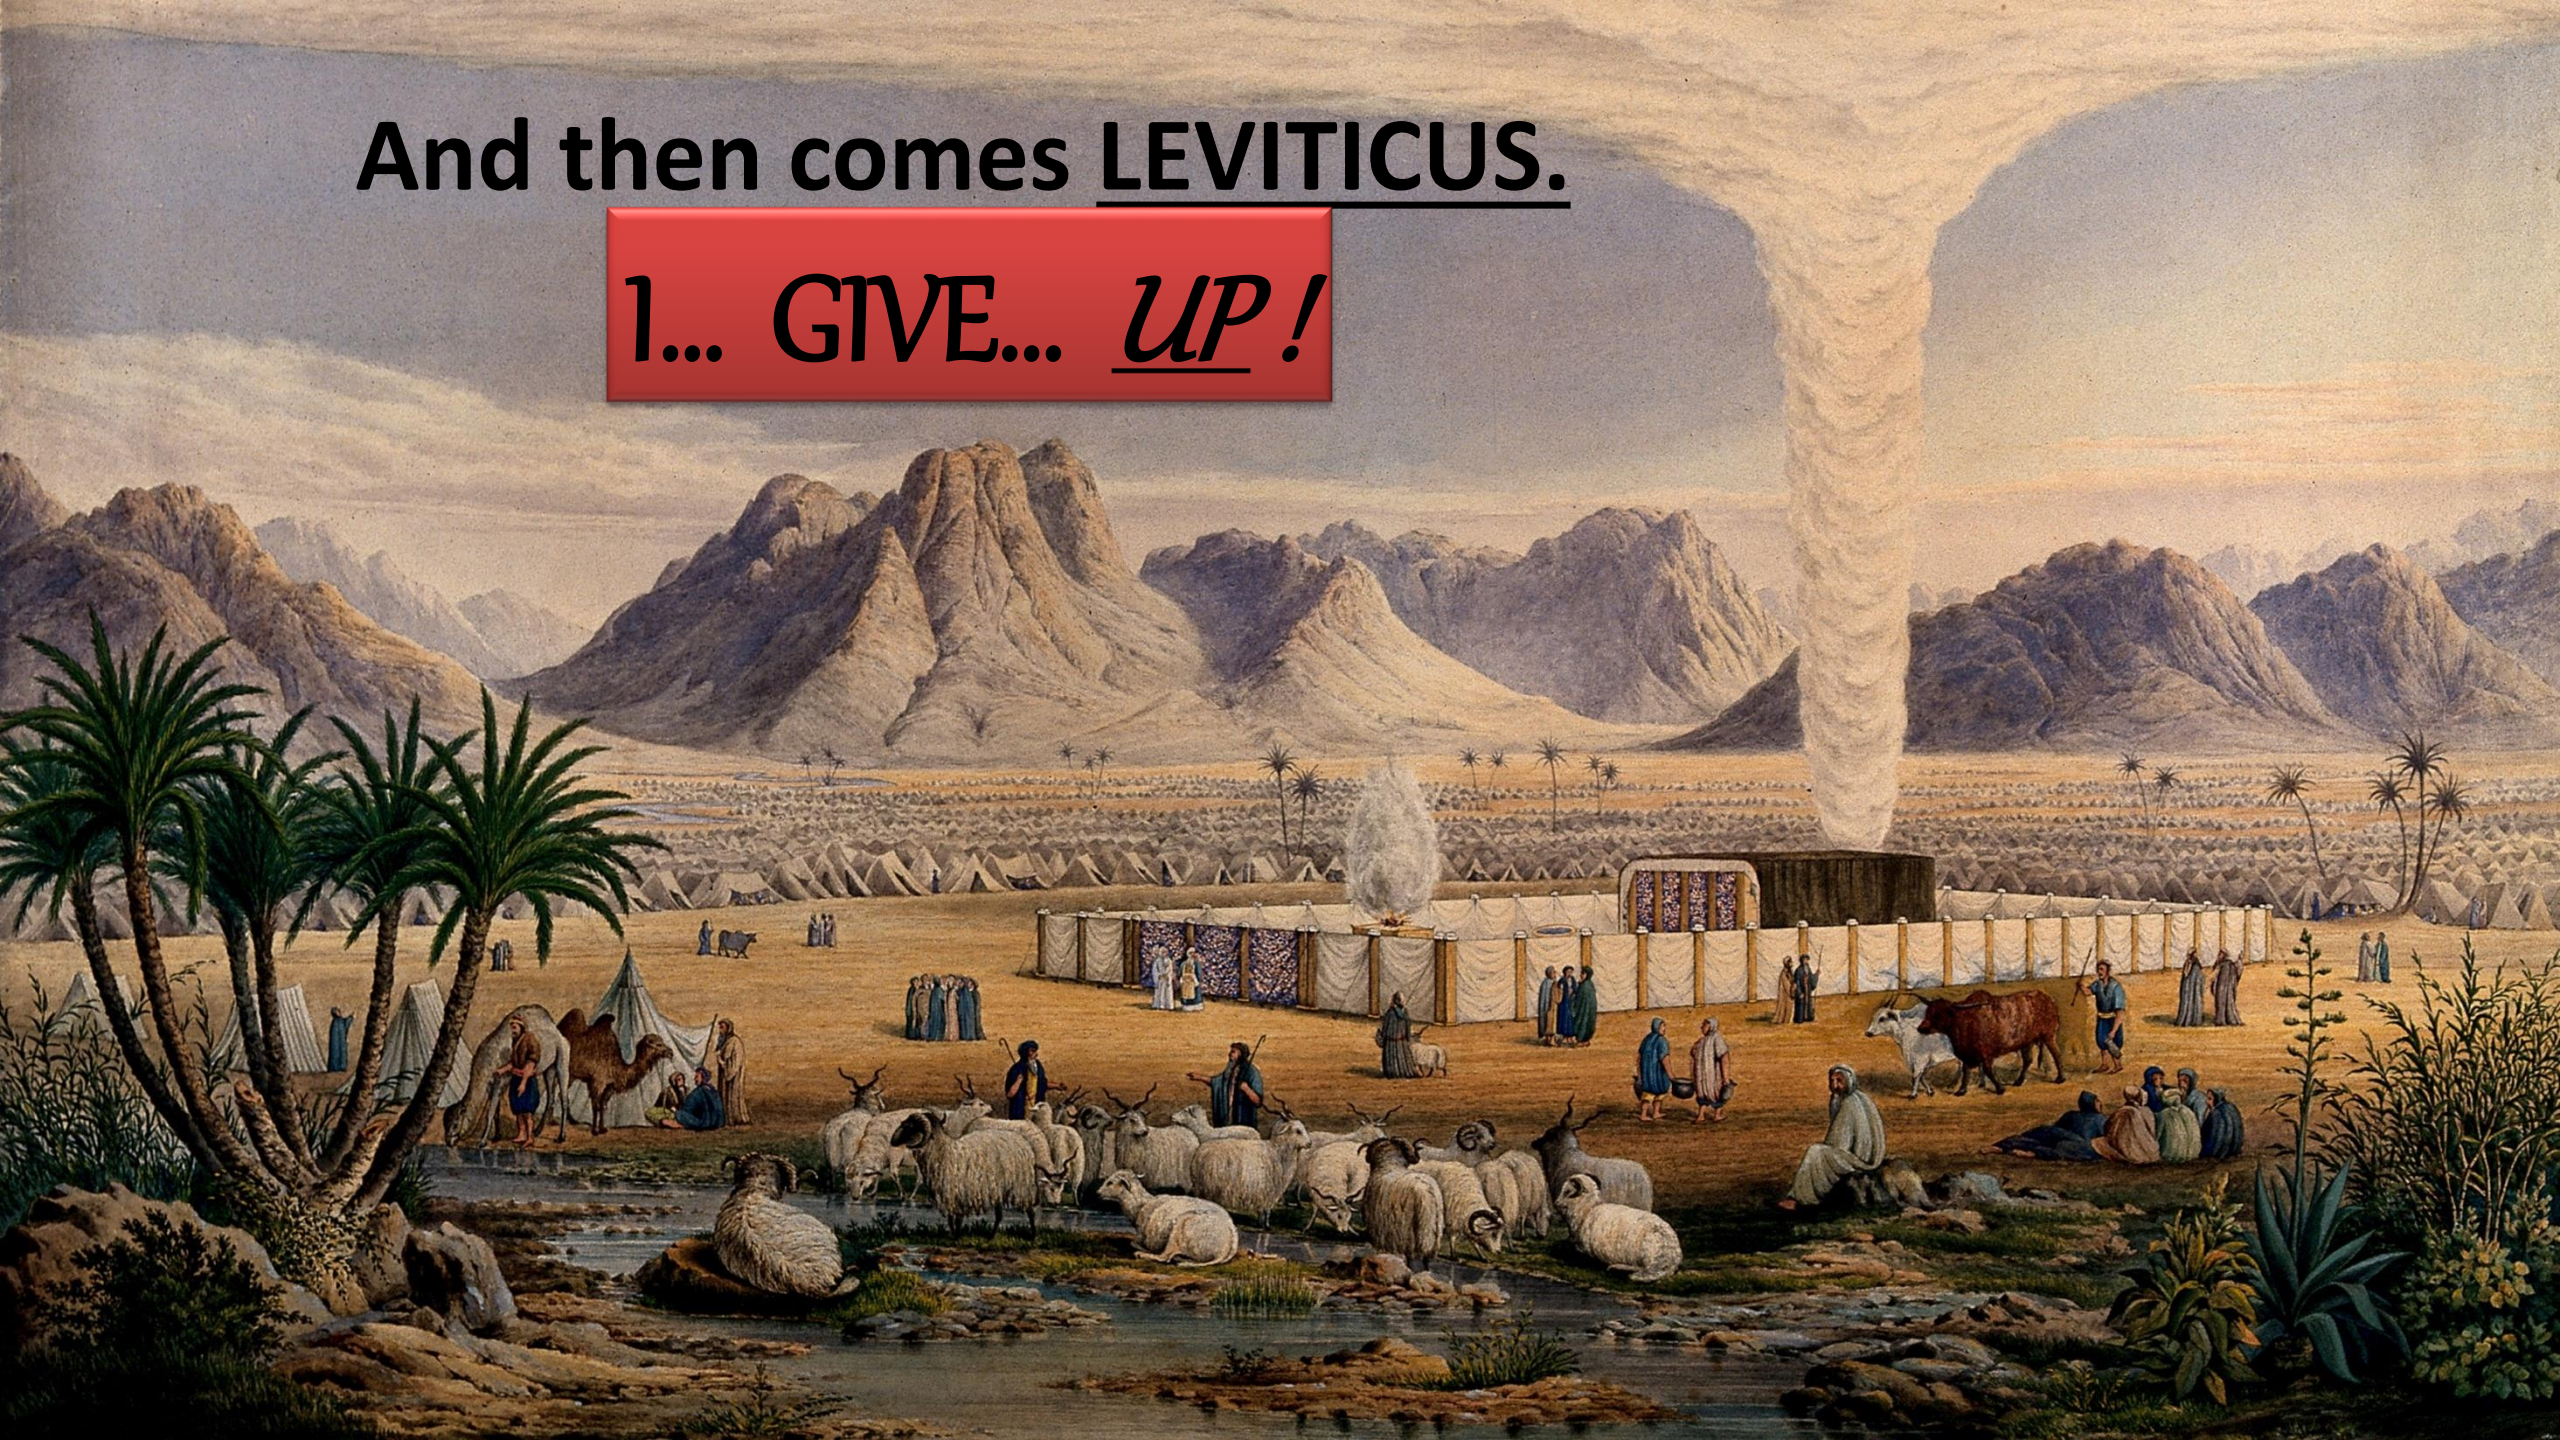

What in the **WORLD?**

And then comes LEVITICUS.

1... GIVE... UP!

# WHAT IS THE DEAL?

Something really **BIG** happened in the wilderness

# The Law of Moses

LEVITICUS

DEUTERONOMY

# QUESTIONS

What is *LAW* ?

Why MOSES' Law ?

*How should Christians relate to it ?*

*Should we even bother to read it ?*

# Question out of California Monday Night:

*Would it be accurate to say:*

*Circumcision is to Old Testament as Baptism is to New Testament?*

*I'm still trying to grasp God's ENFORCING circumcision as required  
before sending Jesus to STOP circumcision.*

**Tonight's INTRO:**

*Why study  
Old Testament ?*
