the problems with that is that you don't ever get to see the grae that you will one day fill and then turn into compost and be born again as a beautiful flower springing from the garden just as we were intended to come

## *Segue into Chapter 6 - 1 Corinthians 5:9-13*

*I wrote you in my letter not to associate with **sexual sinners**; I did not at all mean with the **fornicators** of this world, or with the covetous and swindlers, or with idolaters, for then you would have to go out of the world. But actually, I wrote to you not to associate with any so-called brother if he is **promiscuous**, or covetous, or an idolater, or a reviler, or a drunkard, or a swindler—not even to eat with such a one. For what have I to do with judging outsiders? Do you not judge those who are within the church? But those who are outside, God judges. Remove the wicked man from among yourselves.*
