### Ebal & Gerizim

### EXACTLY Dead Center

**Likely built about 2,550 BC  
(c. 1,000 years before Moses)**

The "Dream Stele"  
of King Thutmose IV

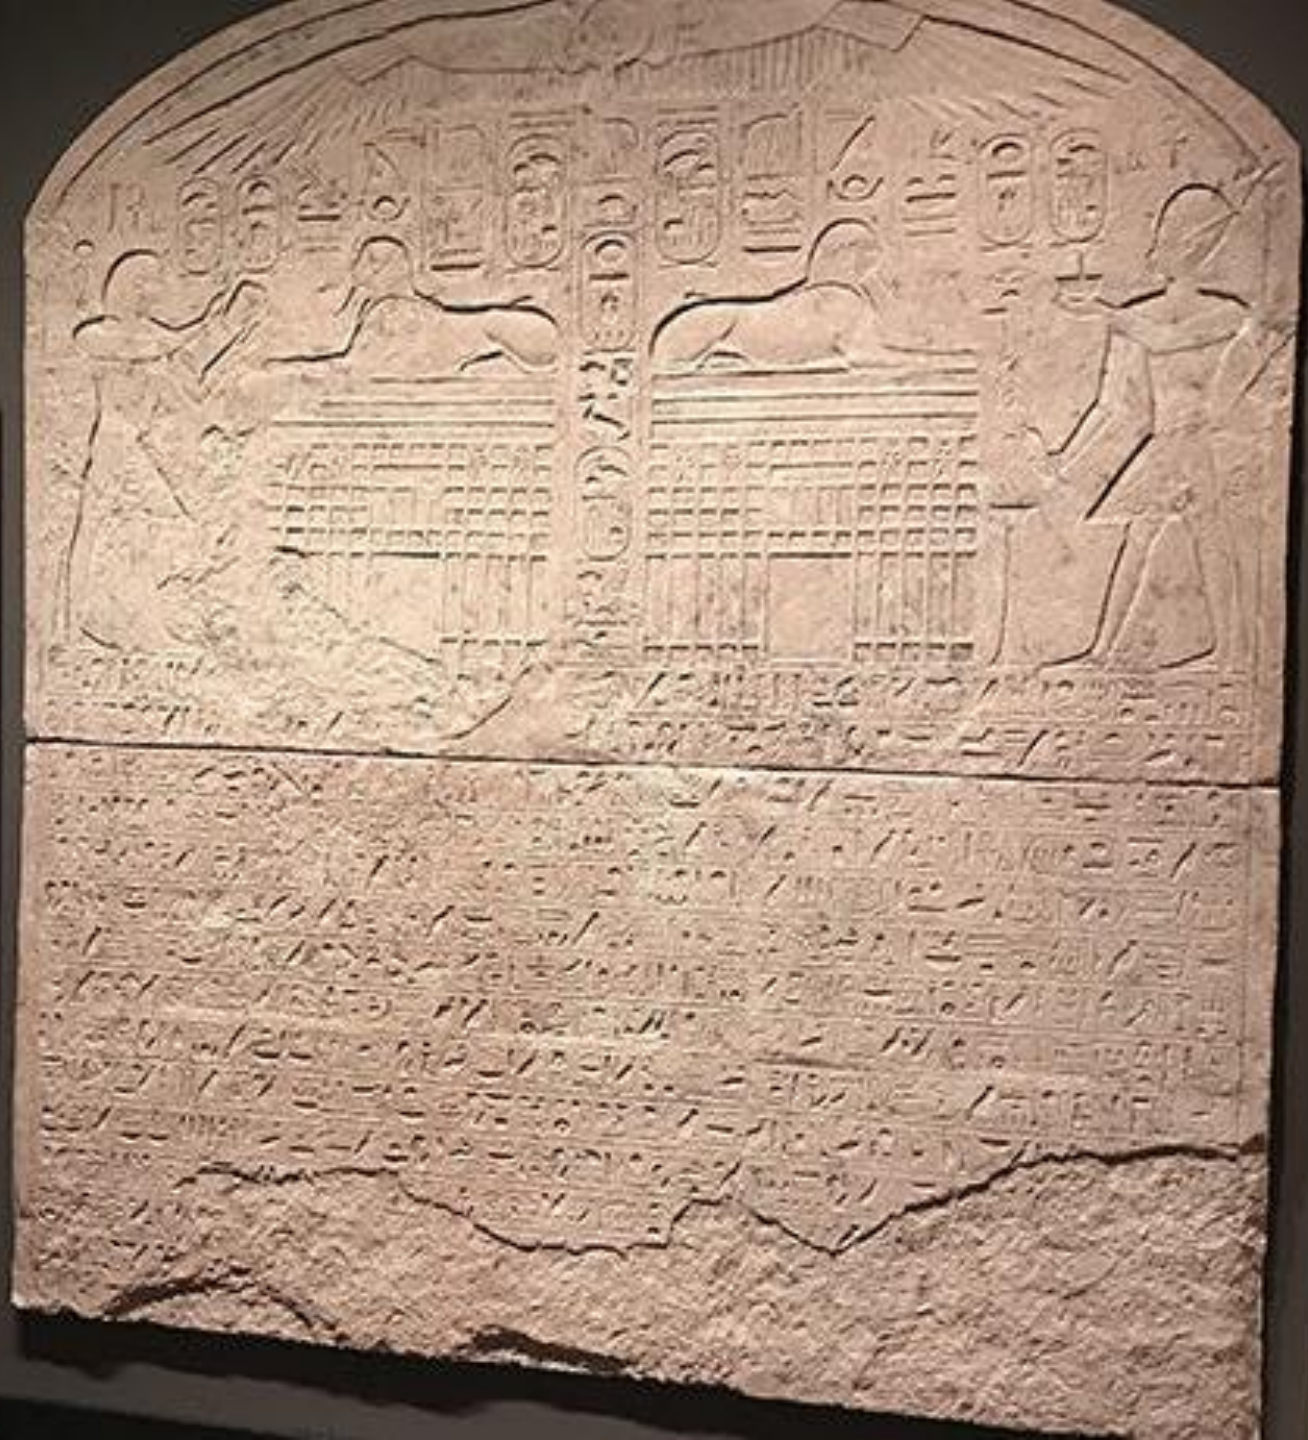

Before the building of the Great Sphinx in the middle of the 25th century B.C., the Sphinx was a guardian of the entrance to the Valley of the Kings. The Sphinx was a guardian of the entrance to the Valley of the Kings. The Sphinx was a guardian of the entrance to the Valley of the Kings. The Sphinx was a guardian of the entrance to the Valley of the Kings.

Part of the Dream Stele  
The Dream Stele is a large limestone stele that was found in the Valley of the Kings. It is a record of the dream of King Thutmose IV, who is said to have dreamed of the Sphinx and was granted the right to rule Egypt.
