# CHRONOLOGY OF JEREMIAH

# LESSONS AND APPLICATION

- 32:6-9 When Jeremiah purchased the field from Hanamel per the Lord's instructions, it was an affirmation of faith. It showed that the land would again belong to Judah. Also, we see God's control in all things that happen. And we see obedience to God's instructions regardless of how little sense they might have made in Jeremiah's eyes. Can you think of other examples of faith?
- Conversion of Saul - Acts 9:3-16
  - Saul would be shown at the outset how much he would have to suffer for naming Christ as Lord

# LESSONS AND APPLICATION

- 32:27 "Is there anything too hard for Me?" This is the primary reason we put our trust in God - He is Omniscient and Omnipotent.
- God crafted a plan from the foundations of the earth that relied on Satan doing the one thing God knew he wanted to do the most – triumph over God. But that WAS God's plan, for in putting Jesus on the cross and murdering an innocent, sinless man, who was God, Satan fulfilled God's plan - Salvation for ALL MANKIND, FROM ALL POINTS OF TIME, FOR ETERNITY.

# LESSONS AND APPLICATIONS

- Reconcile 33:17-18 with 22:24-30 While Coniah (Jeconiah, Jehoachin) would be the last descendant of David to prosper on the throne of David in Jerusalem, yet here the promise is made of the perpetual throne of David. How?
  - This promise is **ONLY** fulfilled in Jesus Christ.
